This Miscellaneous Electronic Submission is in response to the FEC letter dated March 7, 2014 regarding the November Monthly Report.

In reference to item 1 on the letter, Club for Growth PAC takes the following steps to ensure compliance with 11 CFR104.3(a)(4)(i) and 104.7:

All solicitations to prospective donors include the following statement: "Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year."

If the individual fails to respond to the initial request, the Committee sends a stand-alone follow-up letter that does not contain a solicitation, no later than thirty (30) days after receipt of the contribution, requesting the same information. The letter includes a pre-addressed, stamped envelope and contains the following statement:

"Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and employer of individuals whose contributions exceed \$200 in a calendar year.

Please indicate your occupation and employer information below and return it to us in the enclosed envelope. You may also fax it to us at 202-955-9466 or you are welcome to send this information to us by email at shugenberg@clubforgrowth.org.

Thank you for providing this information which we are required to report under the federal election laws."

If the individual fails to respond to the Committee's requests, the Committee reports donor information pursuant to the guidelines in 11 CFR 104.7(b)(3) and 11 CFR 104.7(b)(4).

Occupation and employer information received by the Committee is entered into the FECFile software verbatim as provided by the donor.

The Committee will disclose any updated contributor information it has received by filing memo Schedule As in a timely manner with its next regular report or by filing an amended report.

In regards to item 2, although all earmarked contributions reported on Schedule B were imported into the FECFile software on Schedule A as well, FECFile automatically defaulted many of the contributions to line 11(a)(u) . These earmarked contributions have now been itemized and appear on 11(a)(i).
